

Stommel Haus UK of Neunkirchen-Seelscheid Receives Best Of Houzz 2015 Award

***Over 25 Million Monthly Unique Users Rated Top-Rated Home Building,
Remodeling and Design Professionals in the United States and Around the World***

Neunkirchen-Seelscheid, January 15, 2015 – Stommel Haus UK has been awarded “Best Of Houzz” for Design by **Houzz**, the leading platform for home remodeling and design. The Premium German manufacturer of energy efficient, ecological bespoke timber houses has been active for more than 40 years in German speaking Europe and has brought their product to the British market recently. **Stommel Haus UK** was chosen by the more than 25 million monthly unique users that comprise the Houzz community from among more than 600,000 active home building, remodeling and design industry professionals.

The Best Of Houzz award is given in two categories: Design and Customer Satisfaction. Stommel Haus’ work was the most popular among the more than 25 million monthly users on Houzz, known as “Houzzers.” Winners will receive a “Best Of Houzz 2015” badge on their profiles, helping Houzz users around the world who discover and love a professional’s work to learn even more about that business’ popularity and satisfaction rating among their peers in the Houzz community.

Barbara Fischer-Clark, agent for Stommel Haus in England says: „We are very proud to receive the „Best of Houzz 2015“ Award. Houzz is a wonderful platform which is very much liked by our prospects and clients who create their own personal idea books which we use as an important input for the design of the bespoke homes tailored to the requirements and taste of our clients, their budget and plot. We will carry the “Best of Houzz” award badge with pride.”

“Houzz provides homeowners with a 360 degree view of home building, remodeling and design industry professionals, empowering them to engage the right people and products for their project,” said Liza Hausman, vice president of Industry Marketing for Houzz. “We’re delighted to recognize **Stommel Haus UK** among our “Best Of” professionals as judged by our community of homeowners and design enthusiasts who are actively remodeling and decorating their homes.”

About Stommel Haus

Stommel Haus is a premium manufacturer of contemporary bespoke energy efficient timber houses. With 45 years of experience, the family business proves that with solid timber from certified forests in Europe, sustainable, high quality and very energy efficient houses can be built to almost any design.

Nestled in the small town of Neunkirchen-Seelscheid near Cologne, Stommel Haus develops and produces their certified timber houses with high precision CNC machines. The houses are transported on site where they are erected by qualified teams and made wind and water tight typically within 5-7 days. State-of-the art heat pumps and

under-floor heating on all storeys are installed. Interior fittings from the best brands are used by qualified German craftsmen to provide the turnkey-finished house.

Since their foundation 75 years ago, the Stommel family embraced this wonderful material, building timber houses with an emphasis on ecological and energy efficient building not only enforced by the hard requirements of German energy saving regulations but by the enthusiasm for the natural and healthy material wood used for the benefit of the wellbeing of home owners.
